QUEENSLAND
**CHILD
PROTECTION
WEEK**

Thank you for your interest in the 'Shine a Light for Children' Lantern Project!

Hands on Art invite you to make special paper lanterns in honour of Queensland Child Protection Week 2019.

Wherever you live in Queensland you can join in the fun!

To get you started, we're distributing Lantern Packs to limited numbers of community groups. Get in touch with handsonart@communify.org.au if you'd like to enquire about receiving one of these!

You can also make beautiful lanterns with easy to find materials using our easy to follow DIY Lantern Making Instructions. There are several lanterns to choose from to suit all ages and abilities.

Why not display your lanterns at your school or in your community space leading up to Child Protection Week? Send us photos of your displays, and tag us on Facebook and Instagram! #qldchildprotectionweek

Would you like an artist facilitator to come to your group and help run a lantern workshop? Get in touch with us to talk about a Hands on Art artist coming to your event!

D.I.Y. #1 DECOUPAGE LANTERNS

You'll need

- Clean glass jar
- Scissors or craft knife
- Coloured tissue paper
- Watered down PVA glue (50 / 50 mix)
- Paint brush for glue
- Battery operated tea light candle

- 1) Cut tissue into shapes eg. triangles, torn pieces, stripes, hearts, stars etc or whatever shape you like!
- 2) Paint glue onto glass jar
- 3) Stick tissue paper onto jar
- 4) Paint glue over the top of tissue paper
- 5) Place on plastic or sink to dry to prevent glue sticking
- 6) Insert tea light candle
- 7) Make a handle from wire if you wish to hang

You'll need

- Clean plastic bottle of any size
- Hole punch
- String for handle
- Scissors or craft knife
- Coloured tissue paper
- Watered down PVA glue (50 / 50 mix)
- Paint brush for glue
- Battery operated tea light candle

- 1) Carefully cut off top of plastic bottle
- 2) Using a hole punch make 2 x holes into the top of the bottle
- 3) Thread handle through holes using garden wire or string for handle
- 4) Cut tissue into shapes eg. triangles, torn pieces, stripes, hearts, stars etc
- 5) Paint glue onto glass jar
- 6) Stick tissue paper onto jar
- 7) Paint glue over the top of tissue paper
- 8) Place on plastic or sink to dry to prevent glue sticking
- 9) Place a LED light inside the lantern

D.I.Y. #2 ASIAN PAPER LANTERNS

You'll need

- Recycled & clean plastic bottle
(frosted plastic milk bottles are great!)
- Coloured paper
- Scissors or craft knife
- Stapler
- Sticky tape
- White or light coloured tissue paper
- Watered down PVA glue (50 / 50 mix)
- Paint brush for glue
- Hole punch for handle
- Wool, string or ribbon for handle
- Battery operated tea light candle

- 1) Carefully cut the top off the clean plastic bottle
- 2) Decoupage the bottle including the bottom using light coloured tissue paper
(See Decoupage Lantern Instructions)
- 3) Place on plastic or sink to dry to prevent glue sticking
- 4) Cut a rectangle of coloured paper that wraps snugly around the bottle with a little overlap
- 5) Decorate paper with paint or pens
- 6) Fold paper in half length ways & cut slits into the paper (see picture)
- 7) Wrap paper around the bottle & attach with staples or tape
- 8) Cut a thin strip of paper to fit around the top & bottom of the bottle in a contrasting colour
- 9) Attach using sticky tape
- 10) Using a hole punch make 2 holes in the top of the bottle for a handle
- 11) Thread wool through holes to make handle
- 12) Use LED battery operated light inside
ENJOY YOUR BEAUTIFUL LANTERN!

LANTERN PACKS: FOLDED PAPER LANTERNS

Want to receive a FREE lantern pack for your community group?

Get in touch with us at handsonart@communiy.org.au to enquire!

You'll need

- Cardboard base (provided in pack)
- 4 x sticks (provided in pack)
- Tape
- Scissors
- Rubber band
- Battery operated tea light candle
- Coloured A3/A4 paper with template printed (template provided in pack)

- 1) Cut the solid lines of the template
- 2) Cut small holes and patterns in the paper. Decorate with extra paper, paint, pencils, be creative!
- 3) Join the ends of the paper together (tape the inside)

- 4) Wrap a small piece of tape around one end of each stick (these will become the feet)
- 5) Take your base. From underneath, ease the sticks through the small holes until they stop at the feet
- 6) Gather the ends and tape or rubber band together

- 7) Drop the cover over the top of the frame and fit it over the cardboard base
- 8) Place the candle inside by lifting the cover off

ENJOY YOUR BEAUTIFUL LANTERN!
