

Renata Jayne will be presenting her Child Safety Show at C&K Moorooka Community Kindergarten

When: Monday 7th & Thursday 10th September at 1.30pm

Renata visits guitar in hand to sing songs about keeping our children safe. We ask the children, "Who do you feel safe with? Who can we trust?" Renata instils important messages into the children's hearts that will not go over their heads. The show content talks about stranger danger. The show outcome will be for children to walk away with important life knowledge and how to react in various situations. Renata also brings her guitar for some fun songs in between the serious stuff to make sure we are all having fun.... because that is when we learn. All show scripts are altered to communicate important messages.
