

Celebrate children  
and young people

Keep them  
safe!

World Children's Day  
20 November 2023

World Children's Day was first established in 1954 and is celebrated on 20 November each year to promote international togetherness, awareness among children worldwide, and improving children's welfare.

Let's all re-commit to putting children first.  
For every child, every right.
